...Vim Sprayer... with world class quality...

Featured quality construction, ergonomics design, safety, no tool required for servicing and simple to use. Plus Hudson's newly designed pump - 15% faster... etc... extremely good value!!!
Check these outstanding features of Hudson® Vim Sprayers...

- All vinyl hose resists wear and corrosion. Long 4 feet (1.23m) for easy reach and free movement.
- Wide Opening funnel for splash-free filling and easy cleaning.
- Moulded translucent tank made with high density PE virgin resins. Light weight, tough and durable.
- Corrosion resistant plastic supply tube is removable.
- Long life plunger cup.
- Unique design high efficient pump with VITON® mono valve, and trouble free service. More important, pressurize sprayer 15% faster.
- No tools required for servicing.
- Color packing for attractive shelf display.

Carrying handle ergonomically designed with extension storage.

Viton® Roto-Valve® with long extension for easy aim and reach. Also easy to turn extension and nozzle to any direction at spray control valve. Valve is self-flushing, helps prevent clogging.

Pressure relief valve keeps pressure at a safe operation level. An added feature for safe operation.

Nickel plated brass extension and nozzle resists chemical corrosion.

Adjustable strap made with non-absorbent materials for user's comfort.

Multi-spray™ nozzle for fine mist to jet stream.

Competitive price makes Hudson Sprayers extremely good value.
